Good Morning Robert and Violeta. Do you have any data regarding PCB investigation or characterization at this site in Chula Vista. I have seen some things on envirostor. Is that up to date?

Thank you

George,

Attached is a copy of the Corrective Action Consent Agreement we have with San Diego Gas & Electric.

The contact person for SDG&E is Barbara Montgomery and she can be reached at (858) 637-3719 or at BMontgomery@semprautilities.com.

The Port of San Diego is the current property owner of the SBPP. You may contact Kristine Zortman at (619) 686-6507, or (619) 520-9016 cell # or at kzortman@portofsandiego.org

Thank you for providing as an insight on how PCB is regulated under the federal level.
